

Pont Neuf - a big, wonderful scarf

Design: Rachel Søgaard

A wide scarf with worked in garter stitch with little squares worked in the "double knitting" technique.

The scarf can be worked in the wide version shown, or with 32 fewer stitches, for an elegant, more narrow version.

light color towards the hand, the dark color towards the tip of the fingers. K1 with the light color from the front of the work, p1 with the dark color from the back of the work. Both colors run between the two layers, meaning both strands are held to the back of the work while knitting and to the front when purling. Change the position of the 2 colors on the next row to k1 with the dark color for the front and p1 with the light color for the back.

Directions for knitting

The scarf is worked in a combination of garter stitch and squares of double knitting. The entire scarf is worked in both colors at the same time.

Scarf

Cast on 87 sts with one strand of each color on a 4,5 mm needle.

Slip first stitch purl-wise on all rows (sl1).

Work in charted pattern as follows:

Knit 9 rows with both strands of yarn held together (cast-on counts as the first row).

****Row 11, 13, 15, 17 and 19:** Sl1, *k5 with both strands of yarn, 3 sts of double knitting - knit the light and purl the dark color*. Repeat from * to *. End with k6 with both strands of yarn.

Row 12, 14, 16, 18 and 20: Sl1, *k5 with both strands of yarn, 3 sts of double knitting - knit the dark and purl the light color*. Repeat from * to *. End with k6 with both strands of yarn.

Knit 10 rows with both strands of yarn held together. The double knitted sts are knit together on the first row.**

Repeat from ** to ** until the scarf has the desired length or until you run out of yarn.

Bind off using a sewn bind-off as follows:

Place the yarn on a blunt needle and sew the sts:

*Hold the work with the RS towards you. Insert the needle through the first stitch on the left needle as if to purl. Hold the yarn to the front of the work and

insert the needle through the third stitch on the left needle as if to knit, so the needle comes out at the back of the work.

Let the first stitch fall off the needle*. Repeat from * to * until all the stitches have been bound off.

Pull the sts tighter along the way, so the edge has the right tightness.

Weave in the ends. Gently rinse work and put it through a (dry) spin cycle in the washing machine. Carefully pull the work into shape and lay it flat to dry.
