

Liva - a cardigan with a cabled yoke

Design: Signe Strømgaard

This design has two of my favorites - cables and a round yoke. My first and biggest knitting love is and will always be cables. I love to knit them, I love to design them, I even love creating the charts for them. When I manage to combine cables with a round yoke, I am a very happy knit-wear designer indeed.

Directions for knitting

Liva is worked from the top down. First the yoke is worked from the chart. Then the stitches are split into

sleeves and body and each part is finished separately. Finally the front edges are worked.

Yoke

Cast on 49 (49) 55 (55) 61 stitches on a 4 mm circular needle and work back and forth.

Work chart (see next page) Row 1 is a WS row. The chart is read from left to right on WS rows and right to left on RS rows.

How to read the chart: Work the stitches before the red frame once, then repeat the stitches inside the red frame (the pattern repeat a total of 5 (5) 6 (6) 7 times, then finish the row by working the stitches after the frame once. The dark grey squares are to be completely ignored. The first and last stitch of the chart are edge sts. These are knit on every row. Change to a 5 mm circular needle after Row 6. When all the rows of the chart are worked, there are 148 (148) 168 (168) 188 sts on the needle.

Size 3-4 and 7-8 years: Increase - (14) - (12) - sts evenly across the next row.

There are now 148 (162) 168 (180) 188 sts on the needle.

All sizes: Work sts as they present (knit the knit sts, purl the purl sts) until the work measures 12 (13) 14 (15) 16 cm. End on a WS row.

Divide the work on the next row (RS): Work 20 (22) 24 (26) 27 as they present (= front), place the next 32 (34) 34 (36) 38 sts on a stitch holder (= sleeve), cast on 6 (6) 8 (8) 8 new sts in extension of the sts on the needle, work 44 (50) 52 (56) 58 sts as they present (= back), place the next 32 (34) 34 (36) 38 sts on a stitch holder (= sleeve), cast on 6 (6) 8 (8) 8 new sts in extension of the sts on the needle, work 20 (22) 24 (26) 27 sts as they present (= front).

There are now 96 (106) 116 (124) 128 sts on the needle.

Continue working the sts as they present until the body measures 22 (26) 30 (34) 37 cm from where the sts were divided. End on a WS row.

Row 1 (RS): Knit all sts.

Row 2: Work in pattern as previously.

Work Row 1 and 2 a total of 3 times. Work Row 1 once more.

Bind off in pattern on a WS row.

Sleeves

Move the 32 (34) 34 (36) 38 sts for the first sleeve onto 5 mm double-pointed needles. Pick up and knit 3 (3) 4 (4) 4 sts from the mid point out in the newly cast-on sts under the sleeve, work the sleeve sts as they present, pick up and knit another 3 (3) 4 (4) 4 sts on the newly cast-on sts. There are now 38 (40) 42 (44) 46 sts on the needle.

Join in the round and place a marker for the beginning of the round.

Work 2 round as the sts present. Decrease on the next row: P1, p2tog, work to the last 3 sts, p2tog, p1. Continue working the sts as they present, working a decrease row every 8th (8th) 10th (10th) 10th round until there are 26 (28) 30 (32) 34 sts left on the needle - ie. a total of 6 times.

Work straight as established until the sleeve measures 23 (28) 31 (34) 37 cm.

Change to 4 mm double-pointed needles.

Round 1: Knit all st.

Round 2: Work in pattern as previously.

Work Round 1 and 2 a total of 3 times. Work Round 1 once more.

Bind off in pattern.

Work the second sleeve the same way as the first.

Pick up and knit 56 (64) 72 (80) 88 sts along the left front edge using a 5 mm circular needle.
