#FilcolanaLilleNy

**This pattern is specifically designed for Red Cross’s knitting groups, which are knitting for the project “A good start in life”. In the project Red Cross volunteers support mothers-to-be and new parents in vulnerable life situations by installing a calm, safe, and stimulating everyday life for the little child and assisting the parent in finding peace in the parenting role.**

**The pattern is particularly designed for new knitters or knitters who would like a “relaxing knit” without any major challenges. No knitting abbreviations have been used; all instructions are described in full. Lille Ny is knitted in an easy knit/purl pattern which is repeated throughout the blanket.**

## BLANKET

With 4 mm circular needles and 2 strings of Arwetta held together cast on 198 stitches.  
Work is knitted back and forth on the circular needles.

**1st row (wrong side):** Slip the first 2 stitches - slip them onto the right needle one by one without knitting them, the yarn is held on the side that is closest to you (i.e. the wrong side), move the working yarn between the needles to the front of the work and you are ready to continue knitting.

Then \*purl 2 stitches, knit 2 stitches\*, repeat from \* to \* to the last 4 stitches, purl 2 stitches, slip the last 2 stitches one by one; without knitting them and while keeping the yarn on the wrong side of the work, slip the stitches onto the right needle.

**2nd row (right side):** Knit 2 stitches, \*knit 2 stitches, purl 2 stitches\*, repeat from \* to \* to the last 4 stitches, knit 4 stitches.

Place the safety pin on the right side of your work so that you can easily see which side of the blanket you are working on.

**3rd row (wrong side):** Knit as 1st row.

**4th row (right side):** Knit as 2nd row.

**5th row (wrong side):** Knit as 1st row.

**6th row (right side):** Knit all stitches.

**7th row (wrong side):** Slip the first 2 stitches - slip them onto the right needle one by one without knitting them, the yarn is held on the side that is closest to you (i.e. the wrong side), move the yarn between the needles to the front of the work and you are ready to continue knitting.

Then \*knit 2 stitches, purl 2 stitches\*, repeat from \* to \* to the last 4 stitches, knit 2 stitches, slip the last 2 stitches one by one; without knitting them and while keeping the yarn on the wrong side of the work, slip the stitches onto the right needle.

**8th row (right side):** Knit 2 stitches, \*purl 2 stitches, knit 2 stitches\*, repeat from \* to \* to end of row.

**9th row (wrong side):** Knit as 7th row.

**10th row (right side):** Knit as 8th row.

**11th row (wrong side):** Knit as 7th row.

**12th row (right side):** Knit all stitches.

You have now knitted the entire pattern once.

Repeat rows 1-12, until the blanket measures approximately 88 cm, or you have approximately 10 g yarn left. Make your last row the 11th row of the pattern, which is a wrong side row.

**Next row (right side):** All stitches are bound off like the stitches indicate; this means knitted stitches are bound off as knit stitches, while purled stitches are bound off as purl stitches.

Break yarn.
