ABBREVIATIONS

st(s): stitch(es)

k: knit

p: purl

tbl: through back loop

tog: together

M1L - Left slanted increase

From the front, lift the horizontal strand between stitches with the left needle and knit through the back loop (1 st increase).

SPECIAL TECHNIQUES

Right twist stitch (RT)

The 1st st on the round is always a knit st in col. B (pattern col.).

2 RT - 2 right twist stitches (2 right leaning sts)

With col. A knit the following: Insert right-hand needle into the 2nd st on left-hand needle and knit this st, then knit the 1st st and slip both sts off LH needle. You now have 2 sts leaning right.

Note! Always work the 2 RT using col. A, even when the sts worked are not in this col.

Elastic bind off

Knit 2 sts, *insert left-hand needle into both sts on right-hand needle so left-hand needle is closest to you, pull working yarn through both sts using your right-hand needle, knit 1 st*, repeat from * to * till all sts are bound off.

Two-colour knitting

When working two-colour knitting you have both colours over your index finger. One colour is the dominant one (the one closest to you) and is held on the index finger only. The secondary colour is held on both the index and the middle finger, furthest away from you. In this pattern colour A is the dominant one.

Workflow

Work the sweater top down using increases and right twisted sts.

First, work the neckline in rib in the round, then join pattern colour to work and work 2-colour knit alternating main colour and pattern colour, while at the same time working right twisted sts and increases across the yoke.

Pattern colour consists of 3 different colourways, the colour gradient is created by replacing one of these colours with a new colour, according to instructions in the pattern.

When the yoke is finished, the sleeve sts rest while the body is finished in pattern with right twisted sts. The body is finished with a stockinette edging with vertical stripes and elastic bind off.

Sleeves are worked top down and finished the same way as the body.

Pattern

NECKLINE

With 6 mm circular needles and col. A (main col.) cast on 80 (84) 88 (96) 96 (96) 96 sts.

Join round and place a start marker.

Knit rib (k1, p1) until neckline measures 3 (3) 4 (5) 5 (5) 5 cm.

Change to 7 mm circular needles.

YOKE

Join pattern col. Tilia 321, 341 and 373 held together (hereafter named col. B) to work and knit a 2-colour pattern working right twisted sts and increases.

Note that you do not necessarily knit the same colour as the st below.

1st round: Knit *k1 using col. B, k1 using col. A*, repeat from * to * over entire round.

2nd round: Knit *k1 using col. B, k1 using col. A, M1L using col. A*, repeat from * to * over entire round, M1L using col. B = 121 (127) 133 (145) 145 (145) 145 sts.

3rd and 4th round: Knit *2 RT using col. A, k1 using col. B*, repeat from * to * till last st, slip this st without knitting it, remove the start marker, slip the st back onto left-hand needle and place the marker on right-hand needle. Now the 1st st on the round is once more a knit st in col. B.

5th round: Knit *M1L using col. B, 2 RT using col. A, k1 using col. B*, repeat from * to * till you have 1 st left, slip this st without knitting it, remove the start marker, slip the st back onto the left needle and place the start marker on right-hand needle = 161 (169) 177 (193) 193 (193) 193 sts.

6th round: Knit k1 using col. B, *2 RT using col. A, k2 using col. B*, repeat from * to * till you have 4 sts left, RT using col. A, k1 using col. B, slip the start marker 1 st back, same way as on previous rounds, so the 1st st on the round is again a col. B st.

7th round: Knit k1 using col. B, *2 RT using col. A, k1 using col. B, k1 using col. A*, repeat from * to * till you have 4 sts left, 2 RT using col. A, k1 using col. B, slip the start marker 1 st back, same way as on previous rounds, so the 1st st on the round is again a col. B st.

8th round: Knit k1 using col. B, *2 RT using col. A, 2 RT using col. A, M1L using col. B*, repeat from * to * over all sts = 201 (211) 221 (241) 241 (241) 241 sts.

9th round: Knit *2 RT using col. A, 2 RT using col. A, k1 using col. B*, repeat from * to * till you have 1 st left, slip the start marker 1 st back, so the 1st st on the round is again a col. B st.

10th round: Knit *M1L using col. B, 2 RT using col. A, 2 RT using col. A, k1 using col. B*, repeat from * to * till you have 1 st left, k1 using col. B = 241 (253) 265 (289) 289 (289) 289 sts.

11th, 12th, and 13th round: Knit *2 RT using col. A, 2 RT using col. A, k2 using col. B*, repeat from * to * till you have 1 st left, slip the start marker 1 st back.

In pattern colour (col. B) now break Tilia 321 and

instead join Tilia 322 to work. Now col. B is worked using Tilia col. 322, 341 and 373.

14th round: Knit *M1L using col. B, 2 RT using col. A, 2 RT using col. A, k2 using col. B*, repeat from * to * till you have 1 st left, k1 using col. B = 281 (295) 309 (337) 337 (337) 337 sts.

15th, 16th, and 17th round: Knit *2 RT using col. A, 2 RT using col. A, k3 using col. B*, repeat from * to * till you have 1 st left, slip the start marker 1 st back.

18th round: Knit *M1L using col. B, 2 RT using col. A, 2 RT using col. A, k3 using col. B*, repeat from * to * till you have 1 st left, k1 using col. B = 321 (337) 353 (385) 385 (385) 385 sts.

19th round: Knit *2 RT using col. A, 2 RT using col. A, k4 using col. B*, repeat from * to * till you have 1 st left, slip the start marker 1 st back.

Only size 3XL

Repeat 19th round twice more.

22nd round: Knit *M1L using col. B, 2 RT using col. A, 2 RT using col. A, k4 using col. B*, repeat from * to * till you have 1 st left, k1 using col. B = 433 sts.

23rd round: Strik *2 RT using col. A, 2 RT using col. A, k5 using col. B*, repeat from * to * till you have 1 st left, slip the start marker 1 st back.

All sizes

Repeat 19th (19th) 19th (19th) 19th (19th) 23rd round till work measures 23 (24) 24 (25) 25 (26) 27 cm from the cast-on edge in the neck.

Now divide work into body and sleeves and finish them separately.

BODY

Remove the start marker.

Next round: Let the first 64 (64) 72 (72) 72 (72) 81 sts (the 1st of these sts is in col. B) rest on a stitch holder (sleeve), *with long-tail cast-on cast on 0 (0) 8 (8) 16 (24) 18 new sts in col. A and B alternately, according to the existing pattern*, place a start marker, knit the next 96 (104) 104 (120) 120 (120) 135 sts according to pattern (front), let the next 64 (64) 72 (72) 72 (72) 81 sts rest on a stitch holder (sleeve), repeat from * to * and knit according to pattern until you have 1 st left (back), slip the start marker 1 st back.

The body now has 193 (209) 225 (257) 273 (289) 307 sts.

Follow pattern in the round as indicated previously and at the same time change colours in the pattern colour like this:

Knit 6 cm (measured from the armhole). Break Tilia 322 and join 1 strand of Tilia 341 instead. The pattern colours now consist of Tilia 341, 341, and 373.

Continue till work measures 14 cm from the armhole. Break Tilia 373 and join Tilia 362 to work instead. The pattern colours now consist of Tilia 341, 341, and 362.

Continue till work measures 20 cm from the armhole. Break one strand of Tilia 341 and join another strand of Tilia 362 to work instead. The pattern colours now consist of Tilia 341, 362, and 362.

Continue with this colour combination till the sweater measures 43 (43) 45 (47) 48 (50) 52 cm, measured from the cast-on edge in the neck.

Join the resting sleeve sts to the 7 mm circular needles and knit them as pattern indicates, at the bottom of the armhole pick up 0 (0) 8 (8) 16 (24) 18 new sts using col. A and B, as the sleeve pattern indicates, place a start marker and join round, pick up 1 additional st using col. B = 65 (65) 81 (81) 89 (97) 100 sts.

Knit in the round with right twisted sts and changing colours the same way as on the body until the sleeve measures 38 (39) 38 (39) 40 (40) 40 cm from the armhole.
