

# Mie - a soft garter stitch shawl

Design: Rachel Søgaard

The shawl is knit in the softest merino wool, using only knit stitches and short rows, which shape the little flouncy edge.

English translation: Signe S. Simonsen

## Materials

Anina by Filcolana  
100 g in color 516, 100 g in color 1061 and 50 g in color 243  
4 mm circular needle, 60 cm long  
4 mm crochet hook  
1 stitchmarker

## Measurements

Length: 160 cm  
Width (at the widest point): 43 cm

## Gauge

22 sts and 44 rows in garter stitch on a 4 mm needle = 10 x 10 cm.

## Abbreviations

M1: Make 1 st by lifting the chain between stitches onto the left needle and knitting it through the back loop.

## Color changes

To get a neat edge at the upper edge of the shawl (with no crocheted edge), make sure to cross the yarns in the same way every time you change color.

## Shawl

Knit all rows (working back and forth on a circular needle).

Cast on 16 sts in color 516 using a 4 mm circular needle.

Row 1: K2, place a marker, k14.

Row 2 -3 : K10, turn.

Row 4: K16.

Row 5 (in color 1061): K2, M1 before the marker, k14.

Row 6 -7 : K10, turn.

Row 8: K17.

Row 9 (in color 516): K17.

Row 10 - 11: K10, turn.

Row 12: K17.

Row 13 (in color 1061): K3, M1 before the marker, k14.

Row 14 -15: K10, turn.

Row 16: K18.

Repeat Row 9 - 16, with an increase every 13th and thus one more stitch before the marker.

When a total of 75 increases have been worked (= 91 sts on the needle, ending on Row 16), work Row 9 - 12, and then again Row 9 - 12 using color 243, then using color 516 and again using color 1061.

Work decreases now, where an increase was worked previously:

Row 1 (in color 516): Knit to 2 sts before the marker, k2tog, k14.

Row 2 -3: K10, turn.

Row 4: Knit to end of row.

Row 5 (in color 1061): Knit to end of row.

Row 6 - 7: K10, turn.

Row 8: Knit to end of row.

Repeat Row 1 - 8 until there are 17 sts left on the needle. Work Row 1 - 3.

Bind off.

## Finishing

Crochet an edge along the flounces using color 243 and working a double crochet (UK term) for each garter ridge.

Weave in the ends. Rinse the shawl, put it through a (dry) spin cycle and lay it on a flat surface to dry.
